

Understanding How Health Insurance Works

The Centers for Medicare & Medicaid Services (CMS) and the Substance Abuse and Mental Health Services Administration (SAMHSA) invite you to join us for a webinar titled: “How health insurance works.” The goal of this webinar is to help people understand how health insurance works, the benefits of having coverage and using preventive services to live a long and healthy life. This webinar will provide an overview of the Health Insurance Marketplace, health insurance basics, and resources available to the community through the CMS initiative From Coverage to Care (Marketplace.cms.gov/C2C). To review and learn more about our health insurance literacy community resources available, see our [Roadmap to Better Care and a Healthier You](#).
